

carry us through the rest of the year, but the one thing that is holding it up are the anti-environmental riders that the Republican leadership insists on putting in the bill.

Today they insist on environmental riders that would bar new listings under the Endangered Species Act, prevent the EPA from protecting wetlands, provide no drinking water standards to protect the public from radon, and also to limit and cap the number of hazardous waste cleanup sites around the country.

It is no surprise to me that today the only reason we are held up on this budget bill is because the Republican leadership continues to insist on putting these anti-environmental riders in the appropriations in the budget process. It is because fundamentally, from the very beginning of this Congress, they took an anti-environmental stance because they wanted to cater to the special interests, the corporate interests, that wanted to continue to pollute and tear down our environmental laws that we have worked so hard for since Earth Day 1970.

Mr. Speaker, I know we are going to hear all kinds of rhetoric today from the Republicans about how they are so pro-environmental, but the real test is if they would eliminate the environmental riders and not put them in the budget bill. All the rest is simply rhetoric for Earth Day.

LET US ADJUST THE MINIMUM WAGE TO \$5.15 PER HOUR OVER 2 YEARS

(Mr. STUPAK asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. STUPAK. Mr. Speaker, one of the issues which Congress must periodically address is the adjusting of the level of minimum wage. I did not say raise the minimum wage, I said adjust the minimum wage. The last adjustment of the minimum wage dollars took place in 1991. At that time the minimum wage was adjusted from \$3.80 to the current level of \$4.25. Despite that adjustment of 45 cents, the actual buying power of basic hourly compensation is estimated to have fallen by 50 cents because of inflation. In fact, the minimum wage is now 29-percent lower than it was in 1979 and, left unchanged, its real value will be at a 40-year low by January. In the absence of any kind of automatic cost-of-living adjustment, let us take the necessary step to bring this basic entry-level wage up to where it needs to be today.

In the most simple way, we can positively affect the lives of millions of working Americans. Let us approve an adjustment in the minimum wage to \$5.15 per hour over the next 2 years.

BILL CLINTON'S JUDICIAL APPOINTEES ARE SOFT ON CRIME

(Mr. COOLEY asked and was given permission to address the House for 1

minute and to revise and extend his remarks.)

Mr. COOLEY. Mr. Speaker, Bill Clinton's judges are soft on crime.

All of our antidrug and anticrime legislation is useless if Clinton's judges refuse to enforce the law.

One of Clinton's nominees to the Federal bench—a Democrat fund-raiser from Miami—didn't even know about the Supreme Court's 1995 affirmative action decision.

Another Clinton judge dismissed a defendant's confession and 75 pounds of cocaine.

Why?

The judge ruled that police are corrupt, and that drug dealers should be allowed to run away.

Bill Clinton has already appointed 25 percent of all Federal judges.

If Clinton is elected again, he will have the chance to appoint up to 50 of all Federal judges, as well as one, two, or three Supreme Court judges.

Do the American people want President Clinton to appoint half the Federal judges?

I hope not.

I, for one, would rather see a Federal judiciary that cares about crime victims.

REDUCE DEPENDENCE ON GOVERNMENT BY INCREASING THE RESPONSIBILITY OF EMPLOYERS TO PAY A MINIMUM WAGE

(Ms. NORTON asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. NORTON. Mr. Speaker, we tried welfare reform without jobs. Do we want to put these same people to work without enough pay to live on? All the welfare reform in the world will not do what a raise in the minimum wage will do. One hundred thousand kids would come out of poverty the day we lift the minimum wage. No bureaucrats, no training, just a small hike in the minimum wage. Not 1 cent added to the deficit.

Why should we subsidize employers with food stamps and other benefits in order to allow them to pay less than a minimum wage? Reduce dependency on Government by increasing the responsibility of employers to pay a minimum wage.

CORRECTIONS CALENDAR

The Clerk called the bill (H.R. 3049) to amend section 1505 of the Higher

The Clerk read the bill, as follows:

H.R. 3049

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

(2) by striking paragraph (2) and inserting the following:

"(B) if the member does not consent to reappointment, an individual recommended by the Board under paragraph (1) shall be deemed to have been appointed for a full term to the Board with all the appropriate rights and responsibilities."

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Georgia [Mr. NORWOOD] and the gentleman from Michigan [Mr. KILDEE] will each be recognized for 30 minutes.

The Chair recognizes the gentleman from Georgia [Mr. NORWOOD].

Mr. NORWOOD. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, today we are considering H.R. 3049, which simply corrects a board of trustees appointment problem for the Institute of American Indian Arts. This legislation was introduced in a bipartisan manner by our colleagues Mr. GOODLING and Mr. KILDEE at the request of the Institute. This simple fix will help maintain the continuity of the Institute's board of trustees, and will help the Institute to continue to fulfill its mission of educating those who wish to preserve our native American arts and culture.

The Institute of American Indian Arts is a federally created institution of higher education. Its primary purposes are to provide scholarly study of and instruction in Indian art and culture, and to establish programs which culminate in the awarding of degrees in the various fields of Indian art and culture. The Institute is authorized under title XV of the Higher Education Amendments of 1986, and policy for the Institute is set by a board of trustees which includes 13 voting members appointed by the President with the advice and consent of the Senate.

Unfortunately, the board appointment process has proven to be overly cumbersome and this has resulted in a number of board members serving additional terms, sometimes beyond the
